**Post Peel Recovery Crème**

An essential home care product to assist with skin healing after a chemical peel treatment. Calms irritation & prevents inflammation. Helps to restore a healthy skin surface. Use for the first week after chemical peel. Apply every few hours or whenever skin feels dry. Can also be used as an everyday moisturizer for mature skin which struggles to retain moisture.

**Active Ingredients:**

- Glycerin - moisturises & assists in retaining moisture in the skin.
- Isopropyl Myristate - assists in quicker penetration of product. Leaves a slicker, silky feel without oiliness.
- Grapeseed oil - antioxidant, rich in vitamins which moisturise the skin. Reduces the appearance of scars & help diminish pigmentation. Tightens & restores collagen. Anti-ageing, helping to reduce wrinkles.
- Sunflower oil - antioxidant, rich in nutrients, fatty acids & vitamins. Effective against acne, inflammation, redness & skin irritation.

50ml

**Double Moisture Face Crème**

A moisturiser to hydrate, soothe & protect the most compromised skin types. Ideal for extremely dry, sensitive & irritable skin, particularly mature skin with less elasticity & moisture. Works beneath skin for relief, & creates a protective moisture barrier around facial skin.

75ml  
17120

**Double Moisture Body Lotion**

A body lotion to treat extremely dry, sensitive & irritable body skin for instant relief. Specially formulated to treat thicker skin around the entire body, any area that requires relief & treatment. Treats skin below surface, & creates moisture barrier on skin surface.

200ml  
17121

**Midnight Repair Serum**

A luxurious night-time serum with alpha hydroxy acids to restore & strengthen the skin's natural moisture barrier. These acids gently peel away the skin's surface so new, more evenly pigmented skin cells can take their place. This action is more potent when sleeping, as cellular turnover takes place.

Skin is left visibly smoother & more refined. Smooths rough textures & brightens dark marks for a more even skin tone. Ideal for problem skin:

- Mild hyperpigmentation like age spots, melasma & scars
- Enlarged pores
- Fine lines & surface wrinkles
- Uneven skin tone
- Rough skin
- Dry, flaking skin

50ml  
17118

**Daily Oil Control Moisturiser**

Designed for oily skin. Reduces excess oil with micro-oil absorbers while leaving the skin with a long-lasting matte finish. Over time the ingredients will help reduce the amount of oily build-up on your skin. This will help eliminate & reduce breakouts.

50ml 11184  
125ml 11697

**Intense Hydrating Moisturiser for Dry Skin**

Your skin needs moisture to look & feel healthy. Over time, as your skin ages with exposure to harsh elements, the epidermis can become compromised, leaving the skin feeling dry & flakey. This moisturiser will continuously release moisture molecules throughout the day, giving you well-nourished skin that feels & looks radiant.

50ml 11185  
125ml 11698

**Balancing Moisturiser for Combination Skin**

Contains Moist 24 which provides a burst of moisture where & when it is needed on both the face & neck. It will also control oil on the problematic T-Panel of the face. By doing this, it will help control occasional breakouts that are generally associated with the oily T-Panel of combination skin types.

50ml 11186  
125ml 11699

**Hydralite Moisturiser for Normal Skin**  
 A light moisturiser which will provide moisture & anti-aging where & when it is needed. This moisturiser will help control occasional outbreaks & oiliness.
